FINANCE CHARGE

The FINANCE CHARGE is computed by multiplying the unpaid balance by the daily periodic rate as indicated on the statement along with the loan number and multiplying the result by the number of days since the last payment, except when advances are added to the loan, the FINANCE CHARGE is computed on the balance from the date of the last payment to the date of the additional loan, then on the total outstanding balance to the date of the payment at the above rate. Any payment that (A) delays or (B) accelerates the reduction of your loan will (A) increase or (B) decrease your total interest cost. There is no penalty charge for prepayment of loans.

FINANCE CHARGES (where applicable) and ANNUAL PERCENTAGE RATE ON ALL LOAN TYPES, HAVE BEEN DISCLOSED TO THE BORROWER PRIOR TO CONSUMMATION OF THE LOAN.

This Credit Union is federally insured by the National Credit Union Administration.
