Box 5090, Boca Raton, FL 33431-0890 as soon as possible. We must hear from you no later than 60 days after we send you the first statement on which the error or problem appeared. You do not have to pay any amount in question while we are researching, but you are still obligated to pay any part of your statement that is not in question. While we investigate your inquiries, we cannot report you as delinquent or take any action to collect the amount you question.

DEPOSITS

Checks and other items received for deposit are subject to the provisions of the Uniform Commercial Code (UCC) or any applicable collection agreement, including our Funds Availability Hold Policy.

INTEREST CHARGES

Your interest charges are computed by multiplying the daily periodic rate times the unpaid balance for each day that balance is outstanding.

Each payment is used first to pay all late charges and then to pay all interest charges due through the date of the payment and the remainder is applied to reduce the unpaid principal balance. The unpaid balance is the principal amount outstanding at the close of business each day after all transactions have been entered.

For more information, please refer to your account disclosures, fee schedules and agreements.
